Dear Parents and Carers

Although formal Spanish lessons begin in Year 3, we begin our Spanish teaching in the Early Years through fun, embedded activities such as songs. To reinforce this learning at home and to explore other languages, we encourage you to use Linguascope, a fun online learning platform. The activities in the elementary section are accessible even to our youngest learners.

Please find here the updated log-in details for the new academic year, noting the **exclamation mark ! and numeral 0**.

The interactive activities are also tablet-friendly, with free iPad and Android apps:

Finally, this Saturday 26th September marks the European Day of Languages.

Although our target language at Ashmole is Spanish, we encourage pupils to take an interest in the linguistic and cultural diversity of our own community and of the wider world. You can find language-related games to enjoy with your child at

<https://edl.ecml.at/en/Games>

And we have included a wordsearch overleaf.

Atentamente

Mrs Armitage
MFL Subject Leader
